

Project Tipping Point

Project Tipping Point is designed for current or former foster youth, age 18-25, with a high school diploma or GED. The program is a great fit for young adults that are serious about attaining a college education to boost their long-term career opportunities and earning potential. The **Liberal Arts & Science** pathway is a great fit for students who plan to transfer to a 4-year university and the **Advanced Transportation & Manufacturing** pathway is a great fit for students interested in learning a vocational trade in automotive technology & repair, railways, welding or diesel mechanics.

Benefits Include:

- Full tuition, books and supplies.
- Education stipend, Target cards and other financial incentives.
- Monthly TAP card/gas card.
- On-site case management and highly personalized support.
- Priority registration.
- Dedicated classroom space and instructors.
