NOW ENROLLING STUDENTS AGES 16 - 29

YouthBuild Charter School of California is a unique charter school that provides young adults at **Compton YouthBuild** with a free, project-based high school diploma program. YouthBuild is a place for young people who dropped out, aged out, or were failed by the traditional school system to find job training, counseling, leadership development, and an education that is more relevant to their goals, talents, and daily lives.

We offer classroom-based and independent studies options, as well as an evening program for students 25+. **Open enrollment throughout the year!**
