# kaleidoscope

Affirming support for all LGBTQ+ young people and their families

Kaleidoscope serves LGBTQIA+ youth and young adults, as well as their families, in developing self-acceptance, mental health stability, strong social connections, and resiliency.

Kaleidoscope provides affirming support and a community where all are welcome and everyone belongs.

## Services offered include:

- Leading experts in the intersection of autistic and LGBTQIA+ identity
- Individual, group and family therapy
- Specialized diagnostic evaluations for Autism Spectrum Disorder
- Tailored case management services
- Social events and interest clubs
- Group therapy for teens
- Life skills coaching for teens and young adults
- Community and educational trainings
- Parent and Family support
