

Free Construction Career Training

Start your journey toward a rewarding construction career in support of LAX's multi-billion dollar Capital Improvement Program!

APPRENTICESHIP READINESS PROGRAM (ARP)

Ready for a life changing opportunity? Have you considered a career in construction? If yes, then this program is for you!

The HireLAX ARP provides you with an introduction to construction careers and comprehensive supportive services to assist with everything you need to start and support your union construction career.

Multi-Craft Core Curriculum

A key part of the ARP is the 120-hour MC3, developed by North America's Building Trades Unions (NABTU), which includes:

- Orientation to Union Construction
- Construction Trade Awareness
- Heritage of the American Worker
- Basic Construction Math
- Green Construction
- Tools and Materials
- Basic Blueprint Reading

Participants also receive OSHA-10 and First Aid Certification.

Hands-on Training, Career Development, And More

During training, students do hands-on projects; receive instruction in safety, physical fitness, and conditioning; and are introduced to working with real construction tools and materials.

"I feel more free today than I did when I was released from prison. I'm able to provide for my family. I'm about to buy a house. I learned how to be there for my wife mentally and emotionally."
