

# JOIN US FOR CAREER PATH!

BEGINNING FEBRUARY 2, 2026

Presented by Baldwin Bethany CDC &  
USC K-12 STEM Center

## ABOUT THE PROGRAM

THE USC Viterbi K-12 STEM Center will be hosting a Coding Language workshop for students to learn! The workshop consists of teaching students the basics of programming and learning how to create simple commands and instructions through Python, a popular general-purpose programming language!

## PROGRAM DETAILS

**Bethany Campus, RJ Community Education Center, 4115 W Martin Luther King Jr Boulevard Los Angeles, CA 90008**

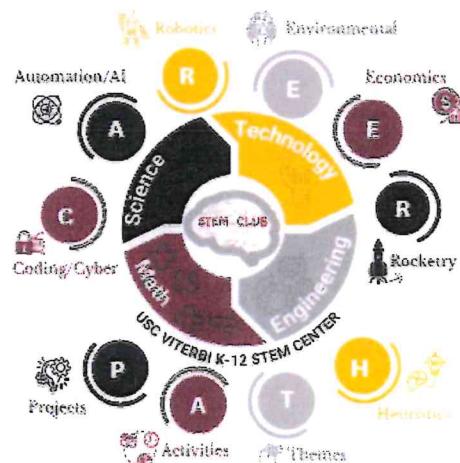

**Grades 5 - 8**

**Free**

**Mondays and Wednesdays  
4:00 PM - 5:00PM**
